

EUROPEAN BLOCKCHAIN ASSOCIATION

MEMBERSHIP AGREEMENT

MEMBERSHIP EXTENSION

THIS MEMBERSHIP EXTENSION (the "Extension") is effective as of the first day following the last day of the member's previous membership period (the "Effective Date") and is agreed between the European Blockchain Association (the "European Blockchain Association") and Member: ("Member"). Members of the European Blockchain Association shall be referred to collectively as the "Membership At-Large".

Membership Options

Please select whether you want to maintain or terminate your membership below. If you elect to remain a member you must either pay the membership dues or commit to in-kind contributions in lieu of said dues. If you want to request a fee waiver on the basis of your community contributions, select the box for "Optional Fee Waiver". Members not contributing on an in-kind basis will be subsequently billed according to their membership class as given in Appendix A:

- ☐ **Maintain Membership:** For the next and following membership periods, the member will be a member of the class: according to the membership classes in Appendix A.
- ☐ **Optional Fee Waiver Petition:** The member petitions the EBA board of directors to waive the annual membership dues for one year from the first day after the last day of the member's previous membership period. The member commits to make in-kind contributions to the EBA in lieu of paying the Annual Membership dues within one year.
- ☐ **Terminate Membership:** The member wants to terminate the EBA membership by the end of the current membership period.

If a member requests a fee waiver, the EBA Board of Directors will determine eligibility of the member to waive the annual membership fees based on their past and planned EBA contributions. The member will be promptly notified of the board decision.
