Decentralized Invisual Art Market

TICKET

Watch A Ballet Lesson

Congratulations! If you're reading this you've purchased a one of a kind experience on a one of a kind marketplace! Seriously you're one of the first people on the planet to have access to an invisual art experience.

Up until now it's been a matter of luck or timing finding such an experience and there certainly wasn't any way to purchase a ticket to such an opportunity. But you are now in possession of a ticket to an art experience that's intangible and in the moment and yet present!

NEXT STEP

The next step is to reach out to the DIAM invisible artist in residence to organize the details of this incredible experience. Please write a short mail to Casey Herd and include the link to this page with your email. Mr Herd will be able to organize and curate your experience from there.
